

UrbanGrid: Your Partner in Property Excellence

Comprehensive Inspection and Compliance Solutions

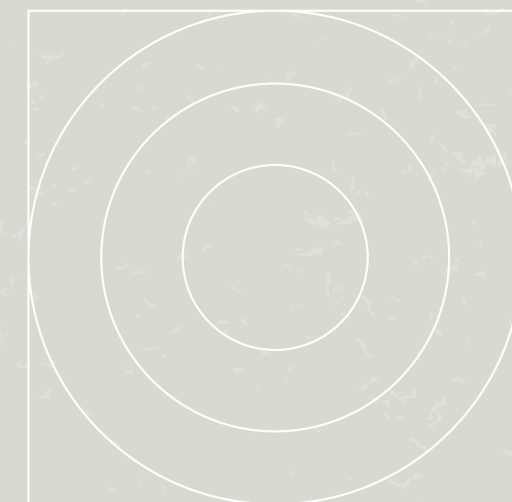

UrbanGrid

About UrbanGrid

Professional Snagging and
Inspection Solutions

UrbanGrid offers **comprehensive
inspection services** to ensure quality and
compliance for your properties across the
United Arab Emirates.

Our Certifications

- Inspections under the supervision of **RICS (UK)** regulated Chartered Building Surveyor (MRICS)
- All inspections carried out by **InterNACHI (USA)** certified inspectors / senior engineers.
- We follow leading international standards, including ASHRAE, ACI, NFPA, and UAE Fire & Life Safety Codes, ensuring professional and reliable inspections.

Why Clients Choose Us

Our Service

- ✓ Follow leading international building codes
- ✓ Inspections by InterNACHI-certified inspectors / senior engineers
- ✓ Supervised by a Chartered Building Surveyor with decades of experience
- ✓ Accuracy, compliance, peace of mind

UrbanGrid

Competitors

- ✗ Local or outdated standards inspectors
- ✗ Unverified / junior staff
- ✗ Limited oversight / lack of senior expertise
- ✗ Focus on lowest cost, not best quality

UrbanGrid Services Overview

01 Snagging & Property Inspection Services

Comprehensive assessments for new builds and renovations ensure quality and compliance, safeguarding your investments with our expert inspections.

02 RERA-Compliant Services

Our services align with RERA regulations, providing transparent financial studies and audits for effective property management and compliance assurance.

03 Specialized Technical Inspections

Tailored inspection solutions, including structural assessments and feasibility studies, to address specific project requirements and ensure safety and quality.

INITIAL CONSULTATION

We discuss your needs and tailor our services to fit.

COMPREHENSIVE INSPECTION

Our team conducts thorough assessments to ensure compliance.

DETAILED REPORTING

We provide clear, actionable reports on our findings.

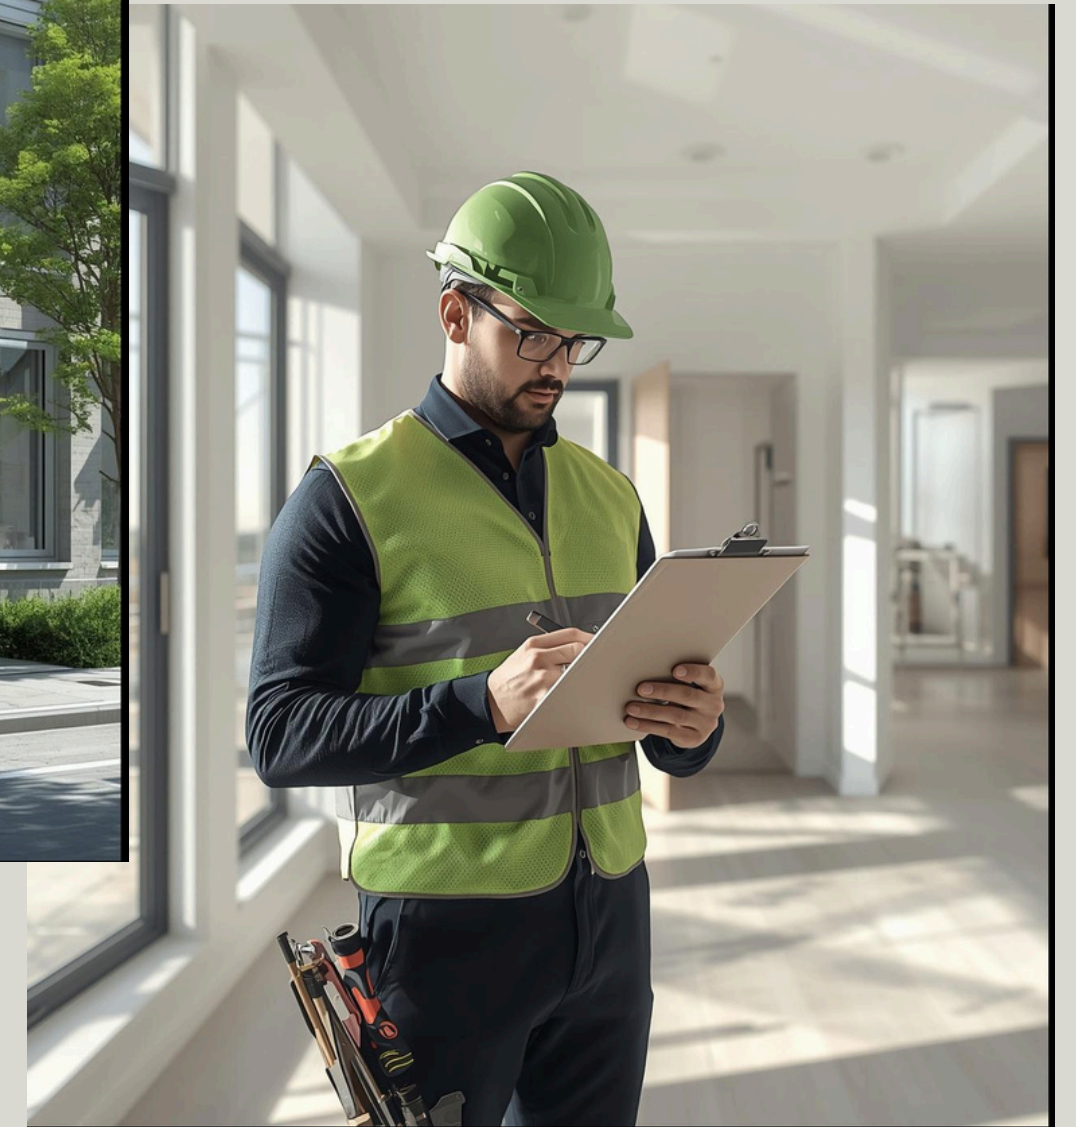

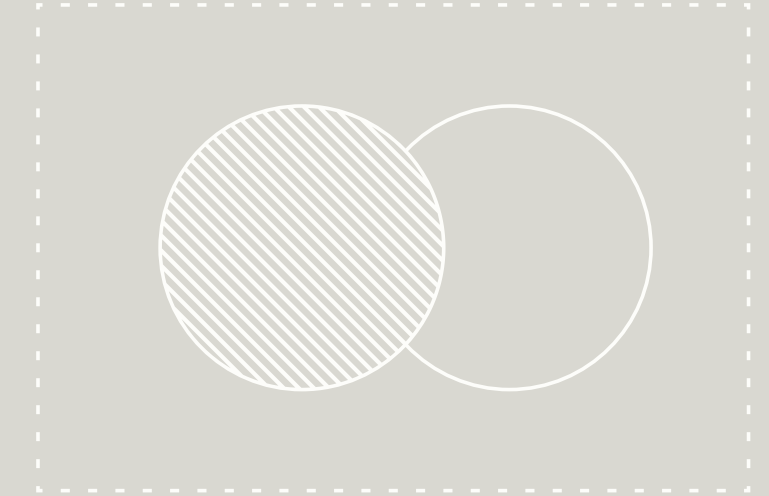

FOLLOW-UP SUPPORT

Our experts are available for any questions or assistance (including lifetime online support for clients).

UrbanGrid ensures seamless transitions with thorough new build handover inspections and post-renovation quality checks.

Our dedicated team meticulously evaluates every aspect, ensuring **compliance and quality** while providing clients with peace of mind during their property journey.

“As a real estate agent, I need to be supported by a true professional offering attractive prices for my clients.

After dozens of snagging inspections done together, I’m still just as satisfied with the service and the high-quality reports. I recommend without the slightest hesitation!”

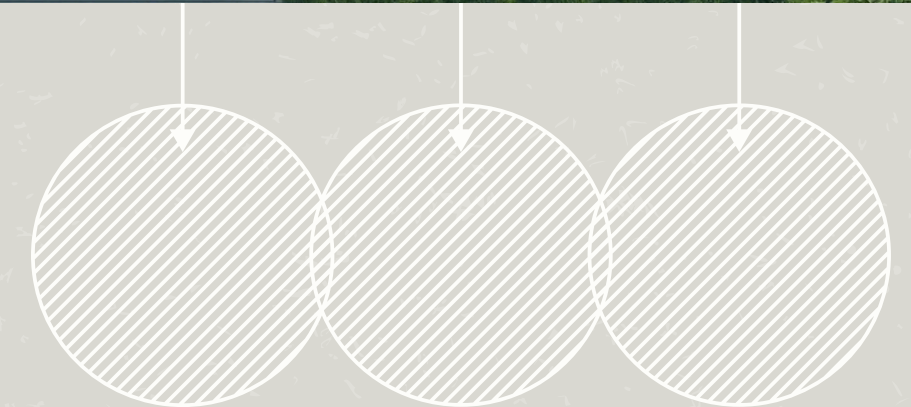

– FABIEN SCHAFFER
